Brickmill Marketing Services Announces New Senior Vice President for Operations

Brickmill Marketing Services, the Baltimore-based marketing company that has been servicing the non-profit community for more than 30 years, announces the appointment of Robert Dragonette as Senior Vice President of Operations. In his new role, Dragonette will oversee day-to-day operations and business practices at Brickmill Marketing Services.

“We are very excited to have Rob join the Brickmill team,” said Dean Schulhof, President of Brickmill. “Rob brings a unique combination of financial, analytic and operational skills that will be critical to us as we continue our rapid growth.”

As CFO of Barton Cotton from 1998-2006, Dragonette was instrumental in helping the company transition from a printer to a fully integrated marketing services company. During that time the company's sales tripled and Barton Cotton became one of the largest full service providers to the non-profit market. He also served as President of Barton Cotton in 2007-2008.

Most recently, Dragonette was the CFO of Mosaic, a commercial printer in Cheverly, Maryland. Other positions he has held include roles at KPMG Peat Marwick, Marriott and Fusion Systems. Dragonette is a graduate of the Maryland Business School.

Brickmill Marketing Services focuses on the non-profit community and offers clients incisive strategic planning, innovative marketing services and executed donor programs. Brickmill also uses proprietary software which enhances client results.
